VOL. LXXX NUMBER 7

THE BLOCK JUST NORTH of Antioch High School had four houses on the east side of the street until wreckers started clearing the area for more parking space. Three of the houses were leveled last week. They were the property of the High School.

## Make Way For The Motor Age

A small yellow-house on south Main St. sits alone in the midst of chaos since the three homes adjoining it were demolished last week to make more room for parking at the Antioch High School.

The three homes were the property of the High School. The board of education decided it would be more economical to demolish them for extra parking than to maintain them and pay taxes.

The homes were acquired by the high school over the years as they became available. With an eye to future growth needs, the board first acquired the Fields property, formerly owned by Hallow Daryl.

Next acquisition was the Rhymer property, which stood just north of the school parking lot. Last to be acquired by the board was the Arthur property, originally owned by William Hunter. In 1952 the Frank Dunn house south of the Arthur property was purchased by

Nelson's and moved to Bishop St.

The board of education rented the homes after buying them. Maintenance, taxes and the usual troubles of landlords made the board finally decide economy could best be served by demolishing the homes, and making the property tax-free.

The board, says Mr. Dittman, Superintendent, acquired the property from the regular budget, through carefully budgeting.

Schneider Excavating is wrecking the houses. Removal of the homes will clear about one acre of land for parking.

While tearing down the Arthur home, Schneider found an Elementary Geography, copyrighted in 1897, in the attic, which he turned over to Mr. Dittman.

The lot will not be improved immediately, Mr. Dittman says. Gravel will probably be put in, but present board plans do not include blacktopping.

## Records Show July Traffic Deaths Down

July traffic deaths in Illinois totaled 151, a drop of 29% from the 212 deaths the same month last year, Francis S. Lorenz, public works director, reported last week.

Reports compiled by the Division of Highways and the State Highway police show that the traffic death toll in Illinois for the first seven months of the year now stands at 1,118. This represents a decrease of five percent from the 1,172 deaths for the same period last year.

The reduction in the number of July 1965 traffic deaths, as compared to the same month of the previous year, is greater than any similar decrease for July during the last two decades, Lorenz

## Gets Patent On Machine Improvement

Glen Grueggman, of the Glenn Tool Co., in Antioch, recently received a patent on an integral movement of a winding machine that winds electric motors.

Brueggman's patent, No. 3,193,208, came from the U. S. Patent Bureau. He applied for the patent on April 26, 1962.

Brueggman has leased the patent to the Glenn Tool Co. Glenn Tool Co. has been in business three years. The company manufactures a machine that winds electric motors, using the improvement covered by the patent. The machine which they manufacture weighs about a ton.

Brueggman has a patent pending in foreign countries on the improvement.

## Fair Opens With Horse Races, Crowning of Queen

The sport of kinds and a queen's coronation will highlight opening day, Thursday, August 12, of the 45th annual Kenosha County Fair which runs through Sunday, August 15.

The four-day exposition will offer a wide variety of entertainment plus many educational values.

For the first time the fair will include a program of horse races which start Thursday at 7:45 p.m. Quarter horses and Appaloosas will compete in saddle races and there'll be saddle pony and pony roadster races also for purses ranging from \$10 to \$100.

### Queen Contest

The five finalists in the

annual fair queen contest will appear on the free acts platform at 9:30 p.m. and while eager crowds await the moment of decision, the chairman of the three-member judging panel will place a sheaf of roses in the lap of the 1965 queen.

A drum and bugle corps festival will be Friday night's main attraction. Five outstanding drum and bugle corps in the Midwest will compete in the free grandstand attraction beginning at 7:30 p.m.

Many fine bands from the area will add color and music to Saturday's big parade which gets under way at 10:30 a.m. The children's parade is held on Friday morning at 10:30 a.m. and during the afternoon the special kiddies' matinee will offer specially priced rides on the midway.

### Other Features

An estimated \$15,000 in premiums and prizes will be awarded this year to exhibitors at the Fair in livestock, crops, vegetables, flowers, domestic and fine arts, poultry and many other fields, including the county 4-H members' hundreds of exhibits and demonstrations.

On Sunday there'll be a tractor pulling contest, open to five counties in the area. This free grandstand attraction attracts bigger crowds every year.

Another first at the Kenosha Fair is a water fight between fire departments in the area with four teams from each department staging the uproarious scramble in the trout pond area.

A gigantic fireworks spectacle will conclude the '65 fair Sunday night.

## 3-Car Accident Injures Antioch Man

An Antioch man was injured in a collision at the intersection of Route 45 and Grange Hall Road about noon Monday, August 9.

Harold Christensen, Rte. 2, Box 206, Antioch, was injured in the accident. Christensen was a passenger in a car driven by Elsie Christensen, Mrs. Christensen and another passenger, Anna Christensen, 81, were uninjured.

Also involved in the accident were cars driven by William Lemke, 54, of 430 Windsor Drive, Antioch, and Linda Schardt, 7421 Grange Hall Road, Grange. Neither was injured.

A passenger in the car driven by Lemke, Violet MacDonald, Rte. 2, Box 453, Antioch, also escaped injury.

The accident occurred when Mrs. Christensen, who had stopped for a stop sign, proceeded across Route 45. Her car was struck in the right rear by the Lemke car. Lemke was driving north on Route 45.

The impact pushed the Christensen car into the Schardt car, which was stopped for the stop sign. Miss Schardt said she had been driving west on Grange Hall Road.

Mrs. Christensen was given a citation for failure to yield the right of way after stopping for a stop sign.

## Beginners Are Big Class At Pool

The beginners' class at the Antioch Aqua Center is well attended, with the students covering a wide range of ages.

All students who can't swim go into this class and are taken through four "stations" in the course. Station 1 is adjustment and breath holding; Station 2 covers the prone float and recovery, prone glide, rhythmic breathing, back float and recovery and back glide; Station 3, the beginners progress to the front kick glide, the back kick glide, arm stroke, front and finning-back; in Station 4, the swimmer progresses to more strokes and some diving, also lessons on personal safety and elementary rescue.

## Farmers Picnic Re-Scheduled

Rain "washed out" the Lions Club Chicken Barbecue and Farmers Picnic last Sunday, and delayed the crowning of the Jaycees Beauty Queen for a week.

Both affairs were re-sched-

uled for Sunday, August 15. The five semi-finalists in the Jaycees Beauty Contest were selected Saturday night at the Antioch High School Auditorium. Winners of the first round of judging were

Marilyn Nix, Janet Sheehan, Linda Brown, Patricia Dibble and Barbara Ann Caulfield.

The auditorium at the high school was crowded for Saturday night's Beauty Pageant. The 21 contestants appeared in bathing suits and formals, and performed talent acts. Each answered "surprise" questions from Gary Richter, master of ceremonies.

Judges of the beauty contestants are Mrs. Arthur Meyer, Margaret Seering, Dan O'Shea, Police Chief Jack Heick, John L. Horan and Mayor Raymond Toft.

Miss Jaycee of 1965 will be selected at about 3 p.m. Sunday from the five semi-finalists. She will be crowned by last year's queen, Miss Joan Tanner.

The Chicken Barbecue will start at about 11 a.m. at the Antioch Aqua Center grounds. The Lions Club barbecue experts will be serving throughout the day, while the various activities go on. Games, a greased pig chase, and free swimming in the pool are some of the entertainment offered.

There will be a tug of war between fire department teams in the district and between various organizations in the county.

Crowning of the Jaycee Queen will be held near the Scout House.

The Lions Club hopes to make the Farmers Picnic an annual affair, sort of a family outing. Lions chiefs will do the cooking while the family relaxes and enjoys the many activities.

The public is invited.

## Expect 980 AI

### A.C.H.S. In 1965-66

A. L. Dittman, superintendent of Antioch Community High School, estimates that Antioch High will have about 980 pupils at the start of the 1965-66 term.

This is about the same number attending the school last year. The leveling-off was expected this year, Mr. Dittman says. Figures indicate the high school population will start surging upward again next year.

There will be two major curriculum changes when high school opens this year. One is the addition of an Art course at the school.

A teacher, for the Art course has been added to the staff, and the room formerly used for Driver Education has been furnished for the Art students' use. One hundred and fifty students have been enrolled in the course.

The second major change is the new film cooperative established between five schools. The cooperative will make it possible to purchase about \$32,000 worth of films and have them on hand for the circulating use of the member schools.

## Plan De Luxe "Tee" Party

"Big John" Teresi may not look like the conventional conception of a fairy godmother, but Antioch Rescue Squad members are wondering if he's turning into one.

"Big John" Teresi's Chevrolet-Olds is sponsoring a golf tournament at George Diamond's Country Club on September 8 for the benefit of the Antioch Rescue Squad. And "Big John" is starting things off by donating \$500 to the squad. How can the squad lose?

The golf tournament will be held on Diamond's private course. Golfers may tee off as early as they like. Activities will include golf, lunch and dinner.

If you really have confidence in your golfing ability you'll be interested in a unique feature of this tournament. A hole in one, made on the hole that will be specified before the tournament, will bring you a new car. Again, courtesy of Big John. He says if Antioch area golfers are so good he has to give away three or four new cars he'll be happy as a lark. In fact, he'll be out there rooting for you.

All proceeds of the Golf Tournament go to support the Antioch Rescue Squad, a non-profit organization which makes no charge for its services. Further information may be obtained by inquiring at the Antioch News Office, the First National Bank, State Bank of Antioch, John Teresi's Chevy-Olds and Rescue Squad members.

## Registration For Kindergarten At Grass Lake School

John P. Schockmel, Superintendent at Grass Lake school, announces that if any parents living in District 36, have children of Kindergarten age, they should register them at the Grass Lake office from 8:30 a.m. to 12:00 noon during the next two weeks.

This pre-registration is important in order that the parents can be notified before school opens as to the class, morning or afternoon, that their child will attend.

Registration for all students will be the first day of school, Tuesday, September 7, from 8:30 a.m. to 11:00 a.m. Students on this day will pay their \$9.00 book rental and insurance fee.

The school bus will make its regular runs beginning at 7:55 a.m. and returning children home beginning at 10:00 a.m.

Construction of the new addition is progressing very well, according to Mr. Schockmel. Pouring of the floors is half completed and brick work began last week.

## Benedictine Sisters Slate Annual Dinner And Family Outing

The Benedictine Sisters of Holy Family Convent, at Benet Lake, Wis., are holding their third annual Chicken Barbecue Dinner on Sunday, August 22.

The annual chicken dinner is the means used by the Sisters to raise money for their building fund. It has proved highly popular in the past two years, drawing people as far away as Milwaukee and Chicago. In addition to people from the area.

Dinner will be served from 11 a.m. to 7 p.m., all invited to enjoy a family outing. Children under six years of age get dinner free.

The outing will include pony rides and games for the children, auction booths, and refreshments.

Holy Family Convent is located on County Highway V between routes 83 and 45, a short distance north of the Illinois-Wisconsin state line.

## Boom-Boom Boys To Shoot It Out

By Harry H. Stern

Everything is all set and in complete readiness at the Northern Illinois Conservation Club grounds for what is expected to be the biggest chicken-shoot in their history on Sunday, August 15.

Chickens, hams, steaks and valuable merchandise are filling the place to overflowing, as generous donors are responding with open hearts. Officials of the Alcan Company, Alton, Ill., shotshell

manufacturer sent a generous amount of their Max-fire shot-shell primers, and the Antioch News contributed the cash to purchase 100 posters to advertise the event.

Beneficiary will be the Mark Frerks Fund, and will be applied to the staggering medical bills run up by Mark Frerks' parents in a valiant effort to save his life after being burned in a gasoline fire in June. Mark 5, is now in the Shriner's Burn Institute in Cincinnati undergoing specialized treatment, free of any charge, thanks to Charlie Haling, Grass Lake Resort owner, who brought it about. The medical debt was incurred previously.

Rumblings emanating around Antioch indicate that more is at stake than just a chicken shoot. The coveted, non-existent title of hot-shot is being discussed with great gusto and plans are being laid by the Pettite Lake bunch, led by Chuck Kempf, to do some waylaying at the crossroads, while the Dittmer clan is nourishing some dry-gutting plans of their own.

Laying back in the bull-rushes are Kayo, Joe Decker, Pete Lehmann and Pete Waldweiler of the Grass Lake Mustrats with ideas of their own about heading 'em off at the pass.

The Haling mob is coming out of the weeds with what appears to be a nefarious plot to thwart would-be aspirant to the shooting throne. Sharp eyed observers spotted Eddie Haling attaching a new recoil pad to his Orustey shootin' 'arn, while dead-eye Chuckie Haling looked on, with a suspicious gleam in his eye, but not saying much.

Even Harry Stern and the Indian Point Mud-chens are loading up for bear, while lurking up in the hills is Bill Brook and his Deer Lake Dabblers; Lonnie Estlinger and his Loon-Lake Scoters, and even Pete Matteoni is dragging his cannon out of the moth-balls for this event, all intent on capturing shooting honors and carting home a sackful of meat.

Scene of the big shoot is the Northern Illinois Conservation Club grounds, on Route 173, 3 miles west of Antioch. Starting time is 9 a.m. and shooting will continue until 8:30 p.m., or until darkness intervenes. There is plenty of supervised parking, free of charge. Shooters and watchers are welcome. Refreshments too.

## Action Taken On Drivers License

Suspension of drivers licenses has been announced by the office of Secretary of State. Suspended after three violations is their cense of John E. Hucker, Rte. 3, Box 343, Antioch.

THESE YOUNGSTERS are all ready to get in the swim at the Antioch Pool. This is the line-up at 10 a.m. as the Beginner's Class wait for the doors to open to admit them for their class period.

### Highways Are Happy Ways?

We were generous with praise of the various Highway Departments last winter. They did a good job of keeping roads open and safe most of the time. We wish we could say as much for their summer activities.

Highway Department work in the area this summer has seemed to be a series of monumental goofs, coupled with a complete disregard of the welfare of the people who must use the road — and who, incidentally, are paying for it.

The howls of protest from residents along Route 59 at being shut off from the world throughout the summer finally brought a grudging gesture from the state in the form of a make-shift by-pass.

The snail's pace at which the Lake Villa bridge was progressing has stopped. Steel ordered for the bridge was found to be two feet short. Now work waits on the fabrication of steel. The bridge won't be finished until, possibly October. October of what year we couldn't say.

The county waited until August to start work on Lake Ave. at Channel Lake. It probably won't be completed 'till next spring.

In the meantime, the holes in county and state roads in the area get worse. If they aren't fixed before winter, our roads are going to be in rough shape.

No doubt, the road supervisors have their problems. They're in the middle, between the clout-slinging politicians and the taxpayer.

The top man in any organization has the job of selecting men to work under him who will perform with a reasonable degree of speed and efficiency. And it begins to look like our highway departments are allowing a lot of foot-dragging.

The weather has been excellent for road work. Seems as though work could have progressed faster. Why hasn't it?

### Courthouse Notebook

BY LOU DURKIN

The political impact of a major industry on a small rural community is being studied by Republican and Democratic leaders with the new Chrysler Corp. plant at Belvidere as the laboratory for the study.

Belvidere and surrounding Boone County have always been solidly Republican, but the huge auto plant will be bringing in thousands of new workers, most of whom will become members of the United Auto Workers, a group that has been unabashedly Democratic in most of its political activity.

Most interested in the political future of Boone County among Lake County political figures at the present time are Cong. Robert McClary and State Senator Robert E. Coulson, both of whom received substantial majorities from this westernmost of the counties comprising their districts.

Re-alignment of the Congressional and Senate districts is expected to detach Boone from Lake County, but there is a strong possibility that western Lake County will be in a Senate district with McHenry and Boone Counties.

Such a district might prove appealing to former state Rep. W. J. Murphy, despite past prejudice against the upper house of the Illinois General Assembly.

Roads leading to McHenry County were clogged with Lake County residents last week as scores from the area visited our neighbors to the west for a duo of outings.

On Wednesday the goal was Cary where McHenry Sheriff Ed Dowd was the beneficiary of a testimonial. Sheriff Dowd is a regular attendant at Lake County outings and his many friends from here turned out to return the favor.

Political leaders joined construction trade union officials at the annual outing of the Lake County Contractors Assn. on Thursday at the McHenry Country Club and while most of the conversation centered on building plans, building codes, and material costs, major political also crept into the conversation.

Regular patrons at the Parkway Restaurant in Waukegan were all of a twitter last week with the disclosure that two distinguished visitors were sampling the famed goodies.

Charles (Call Me Chuck) Percy was a luncheon visitor on Thursday, a situation that prompted considerable speculation about his future political plans.

The GOP gubernatorial nominee in 1964 is generally regarded as having the inside track for the nomination for U. S. Senator if he wants to take on the formidable Senator Paul Douglas, but it appears more likely that he will pass the dubious honor and go after the Governor's post again.

The other side of the political coin was represented on Friday when Luci Johnson, a member of a prominent Washington family, dined with her Waukegan escort Pat Nugent.

A pair of famous movie stars could hardly have caused more excitement than the famous political figures. It is heartening to know that the Lake County Planning Commission has not abandoned its work on a new comprehensive zoning plan for Lake County.

Of course the plan is a little tardy since it was first introduced two years ago and then sent back for revision after being dealt with harshly at a series of public hearings.

Preparation of the zoning plan was one of the first accomplishments.

With "the corn as high as an elephant's eye" in Lake County, too, it's just natural the time for the annual

It'll be a busy week-end this week around Antioch. The postponed Lions Club Farmers' Picnic and Jaycees Beauty Pageant is August 15; the NCCC Chicken Shoot for the benefit of the Mark Frerks Fund is also August 15; the Kenosha County Fair at Wilmett is August 12 through the 15th, and the ASA Softball league tournament will be at Golfview Friday night, Saturday night and all day Sunday.

Well, no problem. You can spend Friday night at the Fair and Saturday night at Golfview or vice versa; Sunday, run over to the NCCC Club grounds and take a few pot shots at clay pigeons; then out to Golfview to watch a ball game, to the Antioch Pool for chicken dinner and the fun, maybe back to Golfview or out to the NCCC chicken shoot again. Have fun. And if it rains again, it'll be a disaster.

It seems that we're losing our young patrolman, Gerald Awe, a recent addition to the Antioch police force. I guess if you want good men, you have to pay for them.

Watch it, folks. Tomorrow, in case you hadn't noticed, is Friday the thirteenth. Proceed with caution. Drive slowly. That's in case you have a driver's license. Otherwise, walk carefully.

Or, if you're one of those people that think Friday the 13th is lucky for you, you're on your own.

It's the only Friday the 13th this year.

### New Store Opens On Main Street

Coin collectors have a chance to browse and buy, sell or trade in a newly opened shop on Main St., in Antioch.

The shop, on the east side of Main St., occupies the store formerly housing Baethke's Grocery Store.

David Carr is the owner of the new business. He's lived in Oakwood Knolls seven years. He formerly operated a coin shop in Waukegan.

The store will sell unfinished furniture in addition to rare coins. It will be open six days a week, including Sundays, closing Wednesday's.

Corn Roast at Elmer Wolff's at Sand Lake.

Republican bigwigs will gather around the festive board for butter-slick ears of corn and bratwurst sandwiches next Thursday.

Ed Nash, political writer for the Waukegan News-Sun, has announced that he is in shape to defend his title as the corn eatingest man in the county.

Among the challengers for the title will be Atty Richard Christian, former public defender who has been doing his training at scores of outings in quest of support for his sire, Stanley Christian, who just might be a candidate for Sheriff.

And the rains came! Wow, did they come, and wouldn't you know it would just be when the Lions had plans for serving several hundred folks their special Bar-B-Q'd chicken. Perhaps if Lady Luck remains a lady, they will be able to proceed next Sunday, at least that's the plan as of now. Also those lovely finalists in the Jaycee Beauty pageant must live in suspense until then.

THE LATEST REPORT: In case you don't want to cook at all next weekend you might attend the Salad Bar Luncheon and Fashion Show to be given by the St. Peter's Altar and Rosary on Saturday and then have Pop take the family to the Farmers' Chicken Bar-B-Q on Sunday. We'd like to compliment the Jaycees on the efficient way they presented the Beauty Pageant last Saturday. In our humble opinion they have developed this thing into a show-well-worth seeing, and if you missed it this year, you missed a "really good show."

All plans have been made for the Moose Picnic that is to be held at Lake Shangri-la Woodlands, Sunday, August 15, starting at 10 a.m. With the cooperation of the weatherman, there will be plenty of games and entertainment by the clowns. All you have to do is pack up a lunch and come out for a good day of fun.

Seven members and two guests were present for the Membership Committee meeting held at the home of Jerri Mark, Tuesday, August 3. Following the meeting in which they discussed their money making project, Rosemarie Hadley told of her experiences on her trip to London, Ontario, Canada, and also of her visits to Michigan and Wisconsin. Jerri Mark showed colored slides of her trip. The evening ended with a social hour and refreshments were served.

Due to the inclement weather last Saturday, the rummage sale held at the home of Doris John was not successful. She is planning one more rummage sale to be held at the Moose Home this Saturday, August 14, starting at 9:30 a.m.

There is to be a college of regents, meeting at the home of Gert Good, this Thursday, August 12, and an officers' meeting will be held at the home of Lillian Birdsell the same day.

A pot luck dinner and a Friendship committee meeting will be held at the home of Jane Meyer on August 17.

There is to be an initiation for the Loyal Order of Moose on Wednesday, August 25, at 8 p.m. and following the meeting will be a birthday dinner.

The Women Officers of the Moose are sponsoring a Ballroom dance on Saturday, August 28, 9 p.m. There will be live music and refreshments.

THE LAST DROP: Because of curtailment of many activities due to inclement weather and illnesses, there seems to be a lack of news and if that sounds like an excuse, it is! Perhaps the ringing of the school bells and the resuming of fall activities will once again give this writer an opportunity to view you from various angles, and thereby re-instate this column.

The next regular meeting for the Women of the Moose will be held Thursday, August 19, at the Moose Home at 8 p.m. All co-workers are asked to wear their formal on this evening.

### WORLD'S SMALLEST HORSE

The world's smallest fully developed horse, "Sugar Dimples," will be at the 1965 Illinois State Fair Aug. 13 through 22.

The tiny animal, 20 inches high, is owned by Smith McCoy of Roderfield, W. Va. Owner McCoy has a standing offer of \$1,000 to anyone who can disprove "Sugar Dimples" to be the world's smallest horse.

## Letters to the Editor

I would like to thank the Antioch News for their gracious co-operation in printing the American Legion Auxiliary publicity I have sent them. The Antioch Unit Press Book was first in 10th District, in the category of towns under 10,000 population.

You have also been most courteous in printing a good deal of publicity about the 10th District's activities. This publicity was all put in the 10th District Publicity Press Book. Since this Chairman received a special award at the State Convention for this District Press Book, I am doubly appreciative to the Antioch News. It was a tremendous thrill to be given this award in front of nearly 1100 delegates, alternates and guests in the Grand Ballroom of the Conrad Hilton Hotel in Chicago. Thank you very much for your part in helping me win this award!

### To Dedicate Portion Of McHenry Hospital

The Bollman Pavilion at the new McHenry Hospital will be dedicated Sunday afternoon, August 22, at 5 p.m. The ceremonies will be held on the Waukegan Road side of the new construction.

Bollman Pavilion is the self-care pavilion of the hospital, erected as a memorial to the late Bernard Bollman. Mr. Bollman was one of the original founders of the McHenry Hospital before his death a few years ago.

In the self-care pavilion, the patient is up and about in a home-like atmosphere. He goes to his own dining room, lounge, bath and other areas requiring the minimum

of care by the nursing staff. This prepares the patient for his return to full home life as well as reducing the total cost of each hospital stay.

Mrs. Bollman has maintained her interest in the hospital, although she no longer resides in McHenry. She felt that dedication of the pavilion at this time would be helpful in revitalizing community support of the hospital.

Formal dedication and grand opening of the completed hospital is scheduled to take place the early part of January, at which time all of the public will be invited to attend.

## Renew Vows Made Fifty Years Ago

To help them celebrate fifty years of marital happiness, more than 60 friends and relatives of Mr. and Mrs. George C. Eckert of Indian Point, Antioch, gathered July 17 for a golden anniversary reception.

Held at the home of the Eckerts' daughter and son-in-law, Mr. and Mrs. Edwin T. Jankowiak of Lake Villa, the mood of the celebration was set by Kathy Kengott's organ music and by a profusion of orchid corsages and floral pieces direct from Hawaii.

The Eckerts renewed their wedding vows at a special nuptial anniversary mass at St. Peter's church in Antioch the previous week. On the 17th, they asked their friends to enjoy dinner and dancing. Guests started to arrive a full hour before the 6 p.m. dinner time, which was led off by prayer by their granddaughter, Janice Jankowiak, who said, on behalf of herself and her brother, Jim (in Hawaii), "I want to offer this prayer for our Grandma and Grandpa. Bless them, O Lord, on this their Golden Wedding day that they may fulfill their years in Thy way."

The cake was topped by an heirloom decoration that had graced the Eckerts' wedding cake, their silver anniversary cake, their daughter's and their son, Harry's wedding cakes.

Mrs. Eckert wore a turquoise dress, and in place of a corsage, a solid Mauna Loa orchid lei from Hawaii. Her daughter, Louise, daughter-in-law Mary, cousin May, and sister Bessie (also of Indian Point), all wore orchid corsages.

The floral centerpiece at the main banquet table was an arrangement of varied

orchids executed by granddaughter, Jan, as were an arrangement in the living room, one large flower floating in a bowl on the dining room table and others scattered throughout the home. These flowers were all a gift of their grandson, Jim Jankowiak and a friend, Luci Takesue of Hawaii.

Mr. Eckert, sporting a carnation boutonniere, officiated at the festivities following the dinner. He was aided by his son, Harry, son-in-law Ed, and Jim Kates of Lake Villa.

It was past midnight before the last of the friends and relatives said goodbye to the Eckerts, who were beaming as happily as that day fifty years ago when they solemnly vowed to love, honor, cherish and obey each other.

The party was given by their son, Harry, his wife, Mary, and their daughter, Louise, and her husband, Eddie.

Among the honored guests were Mrs. Bessie Spychal of Indian Point, Mrs. Eckert's sister, and Miss Mae Gonio of Chicago, who was a bridesmaid at the Eckert's wedding and is a cousin of Mr. Eckert.

Director Muus has an extensive musical background. He sang with the St. Olaf Choir from St. Olaf College at Northfield, Minn., receiving his B. A. degree in 1949.

Chug-a-Lug of Ar-Zoo

### Chug-A-Lug's A Quad Champ

Chug-a-Lug of Ar-Zoo, though only eight months old, has won so many honors that he needs only two finals to become a Grand Champion.

Chug-a-Lug is a Havana Brown cat. If you've never seen a Havana Brown, it's hardly surprising. There are only 27 registered in the U. S., says his owner, Mrs. Geri Streckfuss, Trevor, Wis.

The Streckfuss's operate the Ar-Zoo Cattery at Trevor. They have about 30 cats, of several different breeds, several of them winners of honors at cat shows.

The Havana Brown is a hybrid, an offspring of a Chocolate Point Siamese and a Russian Blue. They're a mahogany color with a mink-like coat, green eyes and pink ears and nose. And, says Mrs. Streckfuss, they

have wonderful dispositions. Most of them are imported from Germany or England. Chug-a-Lug was purchased from Lester Richards, Camp Lake.

Chug-a-Lug's awards include All-American Honorable Mention; All Midwestern, in Cats Magazine; Royal Inter-American highest scoring Havana Brown male from the American Cat Fancier's Assoc.; also highest scoring Havana Brown, either sex, at Cat Fancier's Federation.

Chug-a-Lug will go to the Cat Show in Minneapolis Sept. 11 and 12 to compete for more awards.

Some of Chug-a-Lug's feline friends at the Cattery, and honors they've won are: Champion Si-Per-Baby Sandy of Ar-Zoo, All American Domestic parti-colored male; quad champion Ar-Zoo Clarabelle, All-American Honorable Mention Domestic short-haired parti-colored female; Champion Si-Per-Maby-Mabee, Ar-Zoo, All Midwestern Havana Brown female.

Chug-a-Lug tops them all for honors. And the Streckfuss' hope he'll add at least one more at the Cat Show next month.

### Census To Survey TV Ownership

Families in this area will be asked about ownership of television sets during the August Current Population Survey by the Bureau of the Census, according to Director Theodore F. Olson of the Bureau's Regional Office in Chicago.

The Advertising Research Foundation and the Federal Communications Commission have requested the TV information in addition to the regular inquiries on employment and unemployment asked by the Bureau each month to furnish information for the U. S. Department of Labor's Bureau of Labor Statistics.

The TV questions will be aimed at determining:

1. If the sample family owns a television set.
  2. Number of sets in the household.
  3. If the household has color TV.
  4. If it has ultra high frequency TV (Channels 14 to 83) and the type of UHF receiver if there is one.
- A similar survey done in May 1964, showed that 93% of U. S. households had television sets at that time. No questions were asked about color or UHF television in the 1964 survey.
- The information will be collected during the work week starting August 15 from scientifically selected sample households in this area as well as other sample areas throughout the U. S. Census Bureau interviewers will visit families in this area in August.

## Find Fake Car Title Operation

Secretary of State Paul Powell has announced the detection of a counterfeit certificate of title operation in the Chicago area involving the sale of three cars stolen in other states.

The three cars have been impounded, and all information on the operation and the individuals concerned has been turned over to the Federal Bureau of Investigation, Mr. Powell said.

The cars were obtained from car rental agencies in other states by the use of stolen credit cards, brought to Illinois, provided with counterfeit certificates of title and then sold to private individuals, Secretary Powell said.

The operation was discovered when a loan company made a routine inquiry about the history of one of the cars when a \$2,000 loan was granted to the man who had already sold it, Mr. Powell said. The man had used a stolen car.

Chief Investigator Calvin A. Gordon of Danville and investigators Emil Soccare and Lyle Wheeler, both of Springfield, and George Kath of Bloomington went to Chicago to inquire into the matter and in the course of their investigation uncovered the same operation involving the other two cars.

Two of the cars are 1965 Fords and the third is a 1965 National Lincoln Continental. One of the Fords was stolen from National Rent-A-Car agency in St. Louis, Mo., the other Ford from Avis Rent-A-Car agency in Gary, Ind., and the Lincoln from the Avis agency at Milwaukee, Wis., Secretary Powell said.

## Exchange Visits Across Atlantic

MRS. PHILLIP (MARIE) VERMEYEN, her sister Mrs. Rosalie Van Etten from Belgium, and Mrs. Van Etten's granddaughter, Rita Moens, also from Belgium.

Mrs. Phillip (Marie) Vermeyen, Petite Lake, and her sister, Mrs. Rosalie Van Etten, Merxom, Belgium, remain close even though their homes are on different continents.

Mrs. Van Etten and her granddaughter, Rita Moens, 17, are spending about three months of the summer with the Vermeyens. They love this country, but have no wish to leave their native Belgium.

Mr. and Mrs. Vermeyen came to this country in 1947. Their move was occasioned by a visit from Phil's brother, who had come here in 1930.

The Vermeyens had two sons, Charles and Fred, when they left Belgium. Phil is a bricklayer, and his brother said he could find work here. Donna, was born here.

Rosalie visited Marie in 1951. The Vermeyens, with their children, visited Belgium in 1958 during the World's Fair. Now Mrs. Van Etten is returning the visit.

Mrs. Van Etten understands English, but can't speak it. Rita both understands and speaks our language. Marie speaks Flemish fluently, so interpreters for them when necessary.

Mrs. Van Etten and Rita flew from Luxembourg to New York, then to O'Hare. Rita finds the people of this country very kind and friendly. Belgians, she says, are more formal and reserved.

She loves TV. In Belgium, the programs start at 7 p.m. and end about 10:30 p.m.

Rita's studying to be a chemist. High School at home covers six years, Rita says, from age 12 to 18. Attendance is mandatory till age 16. She's due back in School on September 2, but won't get there until Sept. 7.

The Belgian visitors are delighted with the huge shopping centers—such a large selection. They've visited the Dells and Chicago and enjoyed both.

Mr. Van Etten is a car dealer, and his wife is astounded by the car lots here. "They only have a few cars and must keep them inside," she explained with her sister interpreting. "I want him to see what the car dealers' places are like here—all those lots full of cars and pennants flying outside. So

## '64 Champ Wins Two At Wilmot

Rodger Otto of Burlington, the 1964 Driving Champion of the Kenosha County Speedway, won two races there Saturday night in smooth, unruffled fashion while four other drivers, worried about who was going to be champion in 1965, finished far behind.

Going into the racing action, Duane Harris of McHenry was the leader, with Jim Lawrence second, Chuck Uttech third and Jim Sullivan fourth.

As the checkered flag fell, Jim Lawrence was in 6th position; Chuck Uttech was 11th, and Jim Sullivan was out with a damaged car on the first lap. Duane Harris was 7th in the race.

The race was a particularly close one all the way around with Bill Strom close all the way in second and needing to hustle now and then to stay ahead of Bill Ansell who finished third. Don Scorse

of West Allis was fourth and Kenny Tlougan was fifth.

The semi-feature was another close up front race with Bay Darnell of Deerfield supplying the major share of the exciting action as he slowed early in the race to avoid out of control cars and then made a terrific comeback to challenge Claude Potter, the winner at the end. Ron Larson of Racine was third and Jerry Hester was fourth.

Rodger Otto also won his 10 lap heat as did the drivers, Darnell, Ansell and Eddie Loomis.

Bill Bohm of Bristol set fast time. This marked his third time in 1965 to capture fast lap honors.

The spectator races were a sight to see, as more than 40 cars took part in the three events of their action. Bill Swantz and Rodger Haggie won the eight lap events and Allen Gutchie of Kenosha the feature.

## Rifles Ready For Start of Season

The Lake County Rifles, a new entry in the Central States Football League, stage a dress rehearsal on the Libertyville High School gridiron on Saturday afternoon in preparation for their opening league game with Sheboygan the following Saturday at Weiss Field in Waukegan.

This ultra-squad exhibition, starting at 2 p.m., will be a benefit for the Libertyville Boys' Club.

Since the latter part of July a determined group of Rifle candidates has been conditioning and since Rifle officials expect to cut the squad down to roster size after Saturday's intra-squad clash, competition among the Rifle athletes is expected to be keen.

"We have a dedicated group of players," Coach Mike Dau remarked in commenting on Saturday's exhibition and the upcoming Central States League season. "I have been amazed with the terrific attitude of some of our players and their dedication to the game."

Coach Dau, who has coached football teams from the grammar school level to college and service clubs, plans to give every player an equal opportunity to perform

in Saturday's scrimmage. During the past week the Rifles have added nine new players, including Bob Haukedahl of Mundelein, a 230 pound defensive end and who played for Wartburg College in Iowa, Larry Leafblad, a 200 pound Grayslake guard, who played for Bethel College in Minnesota, and Don Gust, a 200-pound defensive end from Waukegan.

Also added were Chips Roberts, former Libertyville High, halfback; Bob James, former University of Illinois athlete from Lake Villa; Tilton Turner, North Chicago linebacker; High Wilson, 255 pound Barrington tackle who played for Bensenville High and Illinois State Normal University; Rodney Miller, former Libertyville High and Illinois State Normal lineman; and Lee Walgren, former Bradley University 220 pound center.

Coach Dau has been impressed with the fine performance of Walgren and claims that the former Bradley lineman has an outstanding attitude. The Rifle men for also has been pleased with Al Sonnenberg, a 245 pound offensive guard, who played on the Iowa Rose Bowl team and for the Los Angeles Rams, and Lew Flinn, a Little All-American quarterback from Northern Illinois and Toronto Argonauts.

"We are expecting a lot from Ron Curry, former Libertyville High and Bradley University player, either as a running back or in the safety position," Coach Dau added.

"I'm also impressed with Tom Farm, a 245 pound full-back from Grayslake; Bill Dunn, a 265-pound offensive tackle who also may be used on defense; and former Waukegan prep star Coyvace Cabell."

The Rifles plan to employ a pro-type of offense, which is largely a passing game.

## Dove Population On Increase

Population surveys indicate that the 1965 mourning dove season will be as successful as the 1964 season if cold snap in late August or early September does not drive the birds south, the Illinois Department of Conservation announced last week.

The dove season will begin at 12 noon, CST or 1 p.m. daylight time, Wednesday, Sept. 1, and will end at sunset Tuesday, Nov. 9.

Hunting hours will be from 12 noon, CST or 1 p.m. daylight time, until sunset every day of the season. The daily bag limit will be 12 birds and the possession limit 24, except on opening day when both limits are the same—12.

The mourning dove is one of the few game birds increasing in population over the United States.

Four games will be played Saturday, starting at 6 p.m. Tournament play will continue all day Sunday.

The 12-inch softball tournament will be held August

27, 28 and 29 at Golfview. The C. Abbate Ford team has been State Champ in the 12-inch league for 3 years in a row.

This is the second consecutive year that the District meet has been held in the Antioch area.

Leading teams from Waukegan and Highland Park will be competing in the tournament also.

The winner of the tournament at Golfview will receive the Dick Seyfarth trophy and the District 3 trophy, with individual awards for each team member. Second and third place winners will also receive trophies. A consolation trophy will go to the fourth-place winner.

In addition, the Ruth Seyfarth trophy will be given to the Most Valuable Player in the tournament.

Joe Saracco, Commissioner of the Lake-Keno Softball League, is chairman of the tournament.

Playing will start at 7 p.m. Friday night, August 13. Three games will be played Friday night. Drawing for opponents was held Wednesday night.

Four games will be played Saturday, starting at 6 p.m. Tournament play will continue all day Sunday.

The 12-inch softball tournament will be held August

WAUKEGAN SPEEDWAY late model championship point leader, Dennis Burgan of Wadsworth, happily displays the checkered banner after winning his first event with his new "Baby Hawk" Lark convertible recently. Presently Burgan has captured thirteen events, most of them with his first car of the season, a similar one which was demolished a month ago on the backstretch wall. Starter Frank Pinter, of Milwaukee, looks on.

## Hood Sets New Track Record

Rookie driver John Hood charged into an early lead in the feature event at the Waukegan speedway Saturday night and screamed to a new 20-lap track record. It was Hood's fourth feature triumph of the season and this win boosted him into third place among the championship point leaders. Jim Cossman chased Hood across the finish line in second spot and picked up enough points to move into a one-point lead over Dennis Burgan in the standings.

With the rain-laden skies illuminated by lightning flashes, Tim Seyl grabbed the early lead in the feature event after a big pile-up had called for a complete re-start. Hood charged up from his seventh row starting position and then burst into the lead after a fourth lap backstretch tangle with Seyl and Ken Becker. Cossman slipped into second spot on the eighth lap, but Hood continued to turn in near perfect laps to set the new record.

Forty-two late models entered the evening's competition which saw the top four spots in the championship point standings change. Cossman moved into a one point lead over Dennis Burgan in the see-saw battle for top spot, while Hood finally managed to gain third place over Jim Luther.

**Jones, Aaron Win Two**  
Odell Jones and Tobie Aaron both scored two wins in the night's program. Jones started things off by turning in the fastest qualifying lap, then stormed back to win the hotly contested trophy dash.

Aaron snatched the lead on the final lap of the second heat as leader Jim Pasley blew a clutch. Aaron then held off the challenges of Barry Hofflander to record a close victory. Aaron set out to prove that the win was no fluke and lead most of the way to win the wild semi-feature that saw only three of the 17 starters finish.

Scott Clark and Vernie Florkowski each turned in their first win of the season with heat race victories. Both wins came with narrow margins, Florkowski beating Jim Dielmeyer to the checkered flag by only inches in the first heat race and Clark barely edged Pete Brewer in the third heat. A thrilling finish in the fourth and fastest heat saw both Cossman and Hood pass last week's feature winner, Ray Dixon, in the final lap with Cossman scoring the close win.

**MOST POPULAR DRIVER VOTING**  
Voting for the most popular driver in both the late model and modified stock car divisions will be held at the Waukegan Speedway during the next three weekends. The two presentations will be made on the Labor Day Weekend. Official ballots will be contained in the souvenir programs.

## Jewel Salutes The 4-H Clubs Of America!

The 4-H Clubs of America are doing a marvelous job for our nation's youngsters — providing them with opportunities to discover and develop their own particular talents. Encouraging young people to raise quality beef "on their own" is only one of the many successful projects of these fine organizations.

Jewel salutes America's 4-H Clubs this week with a special purchase of quality 4-H Show beef. Typical of all Jewel beef, it's rich in color... firm in texture... well-marbled with tiny veins of fat. It meets every high Jewel requirement for fine beef — in fact, represents the quality of beef Jewel always buys for you!

Your Jewel is proud to offer you the excellence of Blue Ribbon Beef purchased at the recent Lake County Fair. Stop in today for your selection.
